TOWN CLERK  
CHESTER, NEW YORK

Re: Greens at Chester LLC

Dear Hon. Town Clerk:

I am the Managing Member of the Greens at Chester LLC ("the Greens").

Under applicable law and the final subdivision and site plan approval issued for the Greens' 431-unit fully-approved cluster subdivision in the Town (the "Project"), enclosed is a cash deposit in favor of the Town and on account of the Greens in the sum of \$1,676,979.66. This cash deposit secures the Town's interest in the completion of the public improvements of the Project as itemized by the Town's Consulting Engineer McGoey, Hauser and Edsall.

Despite the Greens having completed more than half of the originally secured public improvements for the Project as estimated by the Town's Engineer, the sum of the cash deposit is the same as the sum of the irrevocable standby letter of credit originally issued in favor of the Town for the account of Arlington Chester, LLC, the Greens' predecessor-in-interest, pursuant to which in July 2014, *inter alia*, the Town Planning Board Chairman executed the final plat for the Project and same was filed with the Orange County Clerk.

In May 2019, the Greens submitted an application for a building permit, dated May 14, 2019. We request that the Town Building Department grant that application and issue the permit applied for.

The enclosed cash deposit is filed without prejudice to all the Greens' rights and remedies in law and equity.

Very truly yours,
